# DESCAFECOL

Descafecol is a company located right in the heart of the Colombian coffee region with more than 30 years of history in coffee industrialization. We own two value adding plants: the first one, the only decaffeination plant in Colombia, and the second one, our instant coffee plant. We are proud to use 100% Colombian Arabica coffee, one of the most worldwide acknowledged qualities. Our customers are located in more than 30 countries, in retail packaging for private label and manufacturers who use coffee as an ingredient or for co-packing.

# COLOMBINA

We are a global food company that seeks to captivate the consumer through the innovation and flavor of its products. We have shown that flavor is infinite, creating revolutionary products, exploring new markets that break borders, and bringing the flavor of Colombia to the world. Colombina has 7 production plants built with the highest technology, which are located in Colombia, Guatemala and Spain, from where we supply all the countries we reach.

Colombina manufactures and distributes products of different categories, such as confectionery: candies, marshmallows, chewing gum, chocolates, bonbons, licorice, hard and soft candies; biscuits: waffles, sweet biscuits and wafers; ice creams: popsicles of water and milk, cones, glasses and frozen desserts; cakes as well as sauces and preserves: desserts, baby food, hot sauces, dehydrated powder and juices.
